I wanted to update you on our meeting. It sounds like we'll have a pretty small group here for this meeting. We'd love to talk with you, but at the same time not sure we have enough of a group to really justify taking up your time, particularly given the fact that we've had coalition meeting with EPA several times over the last few weeks.

Thanks again for the offer to talk with us. Thanks for all the work you are doing. Some of us will be at Keystone this afternoon and throughout the day, so we'll be sure to touch base there.

Best

Kim,

Thank you for the connection.

Rick, we'd love to have you come by our meeting or a bit. We will be meeting on UAA campus, so it should be convenient from the Keystone meetings. we'll be meeting on Tuesday, perhaps we could schedule you for a half hour or more Tuesday morning.

Let us know, however, what works with your schedule and we will make it work.

Best and Thank You,  
Sam

Rick,

The Bristol Bay Working Group of which Nunamta Aulukestai is a member would like to meet with you sometime when you are in Anchorage as part of the Keystone meeting. I am cc'ing Sam Snyder who can coordinate with you on a time that fits your schedule.
